

SCHOLARSHIP

The William E. Greene Scholarship for Semester Study Abroad is named after the founding director of Broward College's Greene International Education Institute. For 26 years, Dr. Greene worked to establish numerous affiliations and agreements with global institutions, establishing Broward College as a leader in international education. Scholarship funds are made available from the money generated through these programs. This scholarship will be awarded to students who are prepared to spend a semester studying abroad full-time at one of these Broward College study abroad programs in Austria, Spain, or Costa Rica. The scholarship will cover program costs including tuition, program fees, housing, and student travel insurance

ELIGIBILITY

To be considered for the scholarship, at the time of application a student must:

- Be an AA, AS, AAS, BS, BAS, or BSN degree-seeking student at Broward College.
- Be 18 years of age or older at the time of departure.
- Show proof of a 3.0 cumulative GPA or higher.
- Have completed at least twelve (12) credit hours in 1000 and/or 2000 level courses at the time of the application.
- Have successfully completed ENC 1101 with a minimum final course grade of C or better at the time of the application.
- Not be on academic or disciplinary probation.
- Be in possession of a passport *at least 2 months before the program start date*, which has a validity lasting at least six to nine months after the program end date. If you are not a U.S. citizen, it is your responsibility to verify your legal status to travel outside of the United States. Broward College does not verify, obtain, nor guarantee applicants permission to travel outside the U.S. nor guarantee entry into the host country when participating in BC-sponsored study abroad programs.
- Not have been a former recipient of the William E. Greene Scholarship. Previous applicants who did not receive the scholarship, however, ARE eligible to reapply for full consideration.

Please note, the scholarship does not require that applicants be a Florida resident, U.S. citizen, or full-time student in order to apply. All degree-seeking Broward students who meet the above criteria are eligible.

TERMS AND CONDITIONS

1. The William E. Greene (WEG) Scholarship is administered by the International Education Advisory Committee. Applications are to be submitted to the Greene International Education Institute by the application deadline as indicated below. They are then reviewed by the Committee, select candidates are invited for interviews, and the recipient is chosen by majority vote.
2. Student selection criteria are based on individual student merit and their potential for returning the greatest benefit to BC upon completion of the semester abroad. The committee will evaluate applicants based on the following criteria:
 - a. Two letters of recommendation from BC professors, as described in the application materials section of the application
 - b. Two essays responding to specific questions, as described in the application materials section of the application
 - c. Grade point average (GPA)
 - d. Personal interview with the William E. Greene Scholarship Committee.
3. Students who are selected and accept the WEG Scholarship are required to return to the college and participate in a minimum of two of the following activities in the subsequent semester, whether or not they are enrolled at the college:
 - a. Deliver a presentation to a student organization, club, or class reflecting on their personal and academic growth as a result of this study abroad opportunity.
 - b. Write an article for *The Observer* reflecting on their personal and academic growth as a result of this experience
 - c. Volunteer to donate a minimum of 20 hours to a BC office or department to be approved by the Study Abroad Office.
 - d. Attend at least one Study Abroad Information Session event to speak to other students about the benefits of this experience.
4. Students who are funded by the WEG Scholarship are required to attend one of the BC study abroad centers in Peru, Spain, Costa Rica or Ecuador, as approved by the William E. Greene Scholarship Committee.
5. The WEG Scholarship covers program costs including tuition, program fees, housing, and student travel insurance. The WEG Scholarship does not cover any other expenses such as airfare to and from the program location, passport, visa**, personal expenses, or other educational materials.

** A Visa might be required for certain semesters and certain locations of study. It is the student's responsibility to review visa requirements for their program of choice. The study abroad office can provide assistance in determining if a student needs to apply for a visa or any additional travel document.

6. Students should be aware that the tuition and fees for study abroad are determined by the host institution, not Broward College. Because students will be registered as Broward students, their Broward tuition will be exempted as the program cost includes the tuition and fees as determined by the host institution.
7. The William E. Greene Scholarship is not related to Financial Aid. It is the student's sole responsibility to consult with the Financial Aid Office or other agencies if the WEG Scholarship conflicts or affects current or future aid.
8. Students are responsible for funding airfare, visa fees (when applicable) any additional educational materials not covered in the program cost and personal expenses while abroad and should budget accordingly.
9. Students are required to be enrolled full-time at the host institution during their study abroad program.
10. No student may receive the William E. Greene Scholarship more than one time.
